

DealManager - Trusted by Leading Banks to Seamlessly Execute Deals

When it comes to the most advanced and reliable platform to execute deals, banks know to call Dealogic. Almost every leading bank in the world connects to the Dealogic network to manage and allocate complex new capital markets issues.

Trusted to handle issues of all sizes - from the world's biggest transactions to the most complex involving multi-tranches, currencies, locations, and banks - Dealogic provides the best solution to successfully execute deals and manage risk.

If you want to:

 <p>Collaborate on deals with desks worldwide in real-time</p>	 <p>Target investors more effectively with a ShadowBook, and integration of investor data</p>	 <p>Manage MAR requirements on market soundings and access the OTW directory</p>
 <p>Address MiFID II requirements with new Allocation Screen and simplified Transaction Reporting</p>	 <p>Satisfy reporting and auditing capabilities</p>	 <p>Increase connectivity with mobile access to deal execution data</p>

DealManager is the answer.

Trusted Network

From origination to roadshows, targeting, bookbuilding, allocations, settlement, and compliance, the Dealogic network is the only truly global equity capital markets network.

The biggest transactions on record in every major financial center in the last 30 years have been executed with Dealogic.

Trusted Partner

Dealogic understands what clients need and how to satisfy their requirements, working in close partnership through:

- Sharing best practices at the business, IT, and infrastructure level
- Round-the-clock support during deal execution
- Elevated support for significantly large transactions
- Secondment of staff to work in-house with clients
